We have lots of beer loving friends and family that will LOVE this book!0 of 0 people found the following review helpful. Excellent and UsefulBy CustomerI am surprised by how much interesting and useful information is in this book. I really enjoy a variety of craft beers and almost every brewery I look up in is here, along with many more that -- thanks to this volume -- I now want to try.0 of 0 people found the following review helpful. Great read for homebrewers and those who enjoy craft brewsBy Jennifer L. AndersonMy homebrewing husband asked me to download this to my Kindle Fire when it was briefly offered for free. He appreciates the historical timeline of beer in America presented in the book.

Some say that craft beer is responsible for human evolution and innovation. At every stage in our history and culture, craft beer has changed, adapted and grown alongside us. When craft beer is on the rise, so is technology--that's a fact. Craft beer and the extraordinary breweries that produce it are part of your heritage as a proud American. In the 'American Book of Craft Breweries' you'll learn all about the history of beer in America and the people that have made it an important part of our national heritage and culture. In these pages you will, *Discover how craft beer survived throughout history, and what it has become today. *Learn how the craft beer industry has grown *Educate yourself on beer styles, flavors and breweries across America Indeed, it is the complete book of beer that you have been waiting for. Become an expert on American craft beer and breweries when you read 'The American Book of Craft Breweries.' Yes, you are as much a part of beer culture as the beer itself! Let's continue the revolution and the rise of craft beer! Get your copy now!

About the AuthorDr. Dan Koester is a 1980 graduate of Marquette University Dental School. He enjoys traveling and biking with his wife and three children. restoring a 1965 Barracuda and his current project, a military M1009 truck, provide a diversion from real work. An avid sports fan that enjoys a good craft beer, he intends to sample offerings from as many craft breweries as possible.
