1 of 1 people found the following review helpful. Awesome!By Kennedy BartzMy father in law collects beer stuff. He loves to cook and try new things. I bought him this as a Christmas gift and he LOVES it. My husband wanted to keep it for himself haha. It's a pretty thick book packed with stuff. Good quality print on the pages.4 of 4 people found the following review helpful. I love it because he keeps inviting me over for great beer and great food thanks to these recipes. I do have a tendency to buy gifts that also benefit me.. but anyway.. Pick one up, you won't regret it!1 of 1 people found the following review helpful. This book has a ton of really great recipes in itBy Alaina IhrigThis book has a ton of really great recipes in it! It's an awesome gift for any beer lover. It was given as a gift and she was very

excited looking through all of the recipes and talking about which ones she can't wait to try. I read a ton of reviews that said the recipes were delicious and once I had a chance to browse myself, I definitely agree!

There's a revolution going on in the beer world. The food you eat should be just as delicious as the beer you drink and award-winning beer journalist John Holl captures the best of the brewery and brewpub menus in his latest book, *The American Craft Beer Cookbook*. The 155 recipes cover breakfast to dessert, with vegetarian and gluten free options along with soups, seafood and more. The recipes were contributed by breweries, brewpubs and other beer lovers across the United States. You'll love the new twists on traditional favorites, such as Slow-Cooked Doppelbock BBQ Meatballs and American Wheat Beer Steamed Clams, as well as unexpected recipes like Crawfish Bordelaise, Roasted Pheasant, Chopped Reuben Salad, Beermosas, and Pineapple Brown Sugar Pale Ale Cupcakes. It is a celebration of craft beer, food, and the people behind it.

"Throughout, the culinary status of beer is rightly elevated." - *The Boston Globe* "John Holl's *The American Craft Beer Cookbook* is THE bar food bible. It will make you thirsty just at first glance." - Anthony Dias Blue "The book is beautifully photographed, the recipes are clearly explained and mostly fairly simple, and Holl's brief descriptions of the featured breweries are well written and to the point." - *Chicago Reader*. "It really is that good." - *San Diego Reader* "Attractively designed and photographed." - *New Jersey Monthly*
