Tried some of it, works wonderfully0 of 0 people found the following review helpful. Five StarsBy gerald hindsgreat1 of 1 people found the following review helpful. Simple and convenient!By Shall_Adore_CakesIn addition to having lots of amazing recipes, this book manages to somehow break-down the complex steps and make them seem easy to make! What I love about this book is the fact that the author mentions the measurements of the ingredients in multiple units, thus making the entire measuring process easier. I recommend this book to anyone who loves doing pastries.

This beautiful new book provides a complete guide to making delicious pastry, with plenty of tips and illustrated techniques, so that even novice pastry cooks will achieve excellent results. Choose from sweet and savory recipes from around the world, including all-time favorites such as Tarte Tatin, Steak and Kidney Pie with Mtard Gravy, Mini Mille-fueille and Boston Banoffee Pie. Every type of pastry is represented and each recipe has easy-to-follow

instructions on how to make the pastry and filling or topping.

About the AuthorMs. Atkinson is also the author of **MAKING THE MOST OF YOUR SLOW COOKER** and **SUCCESS WITH PASTRY**. She is a full-time writer.
