Aroona Reejhsinghani : The Art of South Indian Cooking before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of South Indian Cooking:

3 of 3 people found the following review helpful. Awesome veg. Inidan food. Loved the book!By A. GriffithI learned so much from this authentic and well written book. I gave my copy away to a friend and am now buying another one for myself. You can make Indian food like a native with this book. My favorite recipes are for potato curry, tomato pullao, egg indaad and onion mint/onion chutney.
