The Art of Wok Cooking from West BendBy bsvines49"The Art of Wok Cooking" came with my electric Wok that I purchased many years ago. I have now passed the Wok on to my daughter but I refused to pass the book along because of the great recipes. We were pleased to learn that I could keep my recipe book and provide her with a copy also. Thanks! Keep those great products available.

Wok cookery is a fun and easy way to prepare delicious, creative and healthful meals. There are over 135 recipes in this cookbook.
