before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bakers Manual - For Quantity Baking and Pastry Making - Revised Third Edition:

Hardcover with 191 pages b/w illustrations. - A thorough introductory text for the beginner, a time-saving idea-book for the busy professional, the book known through the years as the "bakers" bible is easier to work with than ever. You'll find here concise, authoritative coverage of the whole range of breads, cakes, and pies, puddings and pastries-all the baked goods you'll ever be called upon to make.
