Gregg Smith : The Beer Drinker's Bible: Lore, Trivia History: Chapter Verse before purchasing it in order to gage whether or not it would be worth my time, and all praised The Beer Drinker's Bible: Lore, Trivia History: Chapter Verse:

0 of 0 people found the following review helpful. ... of my buds and I have been known to enjoy a brew or 2 or 3 or sometimes more
By William Wagner Some of my buds and I have been known to enjoy a brew or 2 or 3 or sometimes more. This is truly a beer person book
2 of 3 people found the following review helpful. Great book, easy to knock out a chapter at a time.
By Pavel Great book. Lots of explanations. Such as, Ale vs. Pale ale, current time and originally. Great to have around for quick reads. For me, I read this book one chapter at a time. It never kept my attention to continue reading more than a chapter in a single sitting. It's a great gift and great book to read more like a magazine.
3 of 7 people found the following review helpful. Not a very useful guide
By Michael J. Ortiz This book was a real

disappointment: the entries are uniformly uninteresting and uninformative; the author clearly doesn't understand the process of brewing in the least. Save your money, this book isn't what it appears to be at all.

This lighthearted, frothy compendium of beer-related facts is perfect for every cervisaphile (beer lover), or anyone who craves historic lore.

"The Beer Drinker's Bible belongs at every bar, every restaurant, every bathroom and every desk. Entertaining, extremely informative, and amazingly interesting, this Bible will resolve a lot of debates, change a few habits and open a few doors. Gregg Smith is well recognized as our best beer historian." -- Daniel Bradford, All About Beer Magazine
"A bunch of the boys were sitting around the saloon the other night when the conversation turned to whether the glasses we were drinking from were lions or Hogarths. Luckily, we had a copy of The Beer Drinker's Bible at hand. Like the real Bible, this one contains answers to many of life's most pressing questions, but all these have to do with quotes, obscure words and phrases pertaining to beer, brewing and quaffing." -- Dick Kreck, The Denver Post
From the Back Cover Spend a moment to enjoy a light-hearted look at the world of beer, from ancient times to the present. This fun-to-read dictionary and reference book is perfect for every cerevisaphile (beer lover or enthusiast). Award-winning author and historian Gregg Smith and co-author Carrie Getty cover every beer-related fact throughout history.
