Larry Hawthorne : The Beer Drinker's Guide to Munich before purchasing it in order to gage whether or not it would be worth my time, and all praised The Beer Drinker's Guide to Munich:

4 of 4 people found the following review helpful. Best Tour BookBy David FinlayI have gone through 3 versions of

this book, been to Munich 6 times, and I still find new and exciting things to do by reading it. The BDG2M allows you to sample the best Munich has to offer, and to go to places that tourists and locals love. Reading the book gives you a good idea of the wonderful culture, that IS Bavaria. It's not all about drinking beer, but the unique sense of community, family, and history you will find. The directions to the beer halls are great. They are simple, easy to follow, and close to infallible. Of course, when there is beer at the end of the road, you tend not to get lost. ;-) I applaud Larry in his everlasting devotion to this subject. Every edition is fresh, and new adventures await every turn of the page.

1 of 1 people found the following review helpful. Munich Beer Drinkers By Roxie G. Powell This book is surprisingly good and gives extended information about various interesting locales in Munich. The beer locales are a kick. One could spend the whole trip visiting these occasionally quite interesting and cozy dispensers of comustibles and brews.

4 of 4 people found the following review helpful. This book helped me find beer! By Leslie A. Forrester I went to Munich for Oktoberfest this year -- got there on a Thursday night and left the following Wednesday. Monday was spent at Oktoberfest. That meant Friday, Saturday, Sunday and Tuesday we needed to find beer gardens! This book was the perfect guide -- you can find them by S or U-Bahn stop, even! The 2-for-one certificates were a special bonus. I logged all the beers I drank on the inside cover -- 35 beers in 5 days. Nine of those were the masse size. Burp. Highly recommended.

Travelers can drink in all the atmosphere, history, and beer that Munich has to offer with this updated guide to the best watering holes in the beer-drinking capital of the world. More than 70 of Munich's best beer gardens, beer halls, pubs, and late-night hot spots are listed in detail. The colorful histories behind them are included, along with detailed maps and instructions on how to find each place. Information on Oktoberfest and other beer festivals make this guide as practical as it is entertaining. This revised edition pays for itself three times over with the enclosed beer coupons from some of Munich's most prized beer gardens. From Am Hopfengarten to Zur Schwaige, this guide's wisdom will make any trip to the Beer City a truly unforgettable travel experience.

About the Author Larry Hawthorne is a writer and journalist who has spent most of the last 30 years living, working, and traveling in Europe. He lives in Honolulu, Hawaii.
