Jeff Bonomo : The Beer Drinker's Guide to Survival before purchasing it in order to gage whether or not it would be worth my time, and all praised The Beer Drinker's Guide to Survival:

Beerhellip; Delicious beerhellip; It truly is the amber nectar of the gods. Within these pages you will find an

overabundance of advice and commentary on how to get the most out of any beer-drinking experience. Whether you are pounding down beers at a kegger in the woods or pushing through a crowded club, beer drinking shouldn't be something you just do. To your average beer drinker it's a distraction from the real world, but to the seasoned beer drinker it is a way of life. This book will open your eyes to that world—the world of the beer drinker. The Beer Drinkers' Guide to Survival has been compiled from many different sources, and it took endless nights to amass such beer-drinking knowledge.
