Not as complete as I would like, but the task at hand is a daunting one with so many places to review and the ever-changing face of the industry. It will be a fantastic reference for our travels to tell us what is in a particular area and whether a place might be worth trying. A must-have for those who travel and love good beer! Keep up the good work, Stan!0 of 0 people found the following review helpful. If you like beer and you like traveling... this is a very unique resource!!!!!!By smile3x4meThe only reason for 4 stars instead of 5 is that this book hasn't been updated. Fortunately it provides phone numbers for each spot so just make sure you CALL FIRST especially if you're going out of your way to find one of these gems. I used it for the better part of every summer from 2001-2007 and it was just absolutely invaluable but there were definitely a few places that weren't there anymore.The book has a very strict rating system so even to get in there said something about the establishment and then there is the 4 star ratings. It is set up extremely user friendly in the sense that it is organized by state and then by major cities and then even by smaller towns. It gives you an idea of atmosphere, food options, pricing. Usually where there is good beer there are good people and good people are always a welcome addition to any roadtrip. This book should be stored right next to your atlas/map/navigational system!Safe travels happy drinking!!!!0 of 0 people found the following review helpful. THIS GUIDE'S FOR YOUBy Kent BraithwaiteWhen I signed the publication contract for my first mystery novel, I suspected I may have some promotional journeys in store for me. I figured I'd be expected to travel to New York City, Chicago, Los Angeles, Denver, San Francisco, and other places I knew fairly well. I never realized I'd also be appearing in Anchorage, Plano, Modesto, Yuma, Palm Springs, and countless other terrific towns across the United States promoting my novel. Since my book's publication, I've been doing all sorts of traveling, and this guide to watering holes has been a wonderful addition to my baggage. If you plan on being in an unfamiliar place, refer to this book. If you want to set up business meetings in territories you don't know well, use this book. If you want to find a pleasant dive in which to spend an evening, check out this book. THE BEER LOVER'S GUIDE TO THE USA is the modern author's most indispensable companion. Buy it! Read it! Take care of this book, and this book will take care of you!

For Every Traveler Whose Thirst For Adventure is Not Quenched by the Journey AloneEver landed in a strange city and wandered, forlorn and thirsty, looking for a good beer bar? Ever wanted to arrange drinks on a business trip but not known the best place to take an important contact? Covering a thousand bars and breweries from coast to coast, The Beer Lover's Guide to the USA is a must-have traveling companion. Organized by state and city and using a four star rating system, the guide makes finding the best bars a snap. Each listing gives you the following info:Address and telephone numberHours in serviceFood served, if smoking is allowedNumber of taps and a list of available beersA succinct review of the quality and atmosphereWith an introduction by beer expert Michael Jackson and special lists of four-star establishments, outstanding British, Irish, and German bars, "mega taps" with eighty or more on tap handles, and the best microbreweries in the country, The Beer Lover's Guide to the USA is an indispensable resource--and perfect gift--for anyone who truly loves beer.

About the AuthorStan Hieronymus is the editor of The Real Beer Page at www.realbeer.com, the largest source of information about beer on the Internet.
