Rhen C Hoehn : The Beer Tasting Log Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Beer Tasting Log Book:

The Beer Tasting Log Book is a great assistant for recording the results on your mission to try all of the greatest beers in the world. The 4" x 6" softcover is sized to easily carry in your back pocket while allowing plenty of space for recording notes on your beer. Extra wide inner margins allow for easy writing on the pages. The Beer Tasting Log

Book includes space for recording notes on 100 beers. Notes include Brewery, Date Tasted, Cost, Serving Container Type, ABV, IBUs, Color and Appearance, Aroma, Taste, Overall Rating, and an open section for notes.
