Today I made the lemon scones and they have a wonderful crumb and are as light as a feather. At first I didn't think there was enough liquid but I followed the recipe and worked the dough until it held together. Once baked I knew I had a winner and made a nice lemon curd to go with it. Small but packed with so much goodness. I would recommend this book to anyone that wanted to make tender, light, delicious scones.0 of 0 people found the following review helpful. Apricot-free Apricot Oat SconesBy Michael DeckerFirst recipe I looked at was for Apricot Oat Scones. Ingredients list did not include Apricots nor did the directions.I hope the rest of the recipes are better than this one.0 of 0 people found the following review helpful. Fun little book that makes me want to start at ...By Bertha MayberryFun little book that makes me want to start at the beginning and make them all. Typo on the Apricot scones. They forgot the Apricots!
