Mark Dredge : The Best Beer in the World: One man's globe search for the perfect pint before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best Beer in the World: One man's globe search for the perfect pint:

0 of 0 people found the following review helpful. Great gift for a beer snobbery traveler :)By TBuying this book as a gift, so I don't get much of a chance to review the actual contents of the book. But with a quick flip through I can tell that the pictures are beautiful and the quality of the book itself is excellent. It does, however, mostly cover Europe and a handful of cities in the United States. And for that, I can only give it 4 stars. I wish the book included more US and Canadian cities, but then I guess it couldn't be called "The Best Beer in the World". I'm sure my beer snob step dad (this is actually a very endearing term in our family) will love it and I foresee some vacations based on different breweries in my parents' future! :)0 of 0 people found the following review helpful. Five StarsBy CustomerFun book, beautiful copy, outstanding service!

What's the best beer you've ever tasted? What's your favorite beer? Where can I drink your ultimate brew? These are questions that beer writer Mark Dredge is always being asked. And he doesn't have an answer; yet. This is his search for the world's best beer. Part city guide, part travelogue, and part reference book, *The Best Beer in the World* takes you on a journey through North and South America, Europe, Asia, and further afield in search of the essential bars and breweries, immersing you in the history and beer culture of each region and highlighting the key beers to try. Alongside this are the quintessential beer experiences from all four corners of the globe; whether it's searching for the best IPAs California has to offer, celebrating Oktoberfest in Brazil, downing fresh Bia Hoi on a scorching day in Hanoi, or heading to Prague to drink unfiltered pilsner from the world's first lager brewery. So if you want to read interviews from London's best new craft brewers, see illustrated maps of the finest watering holes in Melbourne, understand the science of taste, unlock the secrets of beer nirvana in Portland, find out where the world's biggest beer festivals are, or simply where to go for a perfect pint of Guinness in Dublin, all is explained here, along with the all-important answer to the question: what is *The Best Beer in the World*?

About the Author Mark Dredge is an award-winning beer writer and runs the popular blog *Pencil and Spoon* where he writes about anything ale-related. Mark has won an award from the North American Guild of Beer Writers for Beer and Food, the British Guild of Beer Writers named him New Media Writer of the Year in 2009 and 2010, and in 2011, 2013, and 2014 he won Beer and Food Writer of the Year. His work is featured in leading publications across the globe and he's an international beer judge. The author is based in London, UK.
