Ann Nicol : The Best-Ever Book of Cakes: 165 utterly irresistible and foolproof cakes to bake for everyday eating and special celebrations, shown in 800 delectable photographs before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Best-Ever Book of Cakes: 165 utterly irresistible and foolproof cakes to bake for everyday eating and special celebrations, shown in 800 delectable photographs:

1 of 2 people found the following review helpful. ExcelenteBy AdaliaEs un gran libro, las fotografias y el paso a paso son formidables, este libro es muy util para los principiantes en la reposteria, como tambien para los de nivel avanzado. Nunca debemos dejar de aprender, hay excelentes ideas de decoracion y de creacion de nuevos postres. 1 of 3 people found the following review helpful. Boring in the least....By

Pchloupek Very unimaginative recipes, and imprecise. Baking times vary greatly, don't follow any of the meringue baking times. Would not recommend this recipe book to any one. Nice pictures and ideas on cakes, but not thought out very well.

Here is the ultimate recipe book for those who love to bake, containing more than 160 recipes for a wide range of treats including the classics as well as contemporary creations

About the Author A cookery writer and expert on cake baking and decorating for many years, Ann Nicol has worked for a number of leading women's magazines. As Cookery Editor of Best, and Home Freezer Digest, Ann spent many years developing recipes and preparing beautiful food for photography but her flair for baking developed when she was Senior Home Economist for the major flour millers, Rank Hovis McDougall. Her baking books include Special Occasion Cakes (BEAP), Glorious Cakes (Letts), Fun Cakes (Letts), Children's Party Cakes (Salamander), The Bread Cookbook (Salamander), A Passion for Chocolate (IMP), and 100 Great Baking Recipes (DS)
