By 7kidsmom You will feel as if you are having a cup of coffee with a friend as you read anything written by Marcy Goldman! I loved her recipe blog subscription recipe service way back years ago. I was so tickled when I found this copy used snatched it up. It's more than a cookbook. it's great reading! 1 of 1 people found the following review helpful. THE BEST ONE YET By Lisa C. Wolf Just like all of Marcy's books, this one promises to hold a place of distinction in my growing cookbook collection. Along with some favorites, there are many new recipes, with beautiful full-color pictures, that will certainly be added to my baking repertoire as soon as I get into the kitchen this weekend. I already know that I want to start with the chapter called "The Cookie and Biscotti Jar," followed immediately by "Scone and Muffin Mania." Along with

each recipe are the author's suggestions for keeping, freezing, and changing-up to make the end products your own, as well as a little bit about how the recipe got into the book. For my younger son, I will start with Killer Chocolate Layer Cake, made entirely with ingredients on hand. We are all big Marcy Goldman fans in my house, and her latest cookbook is sure to be a huge hit in your home, too. Don't forget to visit her website at BetterBaking.com for more of her famous innovative creations!

Mack....BY MARCY GOLDMAN BUT ILL KEEP IT.....A BIT BEAT UP BUT THIS WAS NOT A NEW BOOK.....THERE ARE A FEW RECIPES OF INTEREST I WILL TRY LATER....OVERALL AN OK BOOK -- NOT THE SAME EXPERIENCE, HOWEVER, I HAVE HAD WITH OTHER BOOKS BY MARCY.....I HAVE BEEN ENTHRALLED WITH HER OTHER BOOKS -- NOT ONLY FAB RECIPES BUT JUST A GOOD READ.....ILL KEEP IT THO!

Marcy Goldman has always been a bit of a maverick, whether making her wildly popular "Lawsuit" Buttermilk Muffins (a story and a recipe you don't want to miss) or leading the online charge with her Web site, betterbaking.com, cohosted with Webmaster Yvan Huneault. An underground favorite when it was launched four years ago, BetterBaking quickly blossomed into a resource praised by the New York Times for its superior design, fail-safe recipes, and entertaining, informative essays. With over 150 recipes and a bounty of the kind of practical baking advice that has earned the site its devout following, *THE BEST OF BETTERBAKING.COM* captures all the flavor and charm that make BetterBaking such an engaging, dynamic depot for bakers. Country-loaf classicists and exotic cheese-and-sundried-tomato-bread enthusiasts alike will find recipes to add to their repertoire, along with Marcy's expert, and cheerfully opinionated, insight into ingredients, equipment, and techniques.

"Culled from her cache of old-fashioned and contemporary treasures, Marcy Goldman's book is one not only to bake from, but to learn from. Look inside and prepare to make these recipes your own." -- Beth Hensperger, author of *Bread Made Easy* and *The Bread Bible*"A masterful and approachable collection -- a generous tone, solid tips for the home baker, and recipes each more tempting than the last. My copy will get dirty very quickly." -- Regan Daley, author of *In the Sweet Kitchen*"Join me in baking from this user-friendly cookbook version of Marcy Goldman's unique online resource." -- Flo Braker, author of *The Simple Art of Perfect Baking* and *Sweet Miniatures*
