1 of 1 people found the following review helpful. Some potential but some issues By Jen The first recipe I tried was the

banana chocolate chip muffins. I looked over the recipe but didn't catch that the only liquid was oil, vanilla, an egg and later, the banana. Adding the first three to the dry ingredients left me with a bowl of sand and flour- it was too dry to even closely incorporate all of the dries and no where near enough batter to fill 12 muffin cups 3/4 full. I think that there should have been milk. I grabbed another similar recipe that included milk and baking powder from another source and hashed the two together. They turned out beautifully but I don't think they would have otherwise. It looks like many of the other recipes are complete but I'm not sure of it now and will rely on my trusted Miracle Muffins book instead. 1 of 1 people found the following review helpful. I loved the book By M. Tussaud I loved the book. Each recipe comes with beautiful pictures. I can't wait to buy the ingredients and make muffins for my family! 0 of 0 people found the following review helpful. Great recipes By Kari Koniowsky Great recipes.
