EASY TO FOLLOW DIRECTIONS. Might have a little difficulty finding ingredients. I am in the food service industry so I am able to get most products.5 of 5 people found the following review helpful. What is this book?By PendellThis book is a Vietnamese recipe book. It contains the author's favorite Vietnamese recipes. Many of the recipes are new, and many of them are also found within Foods of Vietnam.

The author of The Foods of Vietnam has compiled 40 of her all-time favorite classics along with over 20 never-before-published recipes adapted from her popular cooking classes and demonstrations. Over 40 full-color photos by Martin Jacobs, and Routhier herself, highlight this authoritative reference on Vietnamese cuisine.
