**Grace Young, Steven Mark Needham : The Best of Thailand: A Cookbook** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best of Thailand: A Cookbook:

2 of 3 people found the following review helpful. Great CookbookBy LTWGreat recipes and easy to read.0 of 2 people found the following review helpful. Three StarsBy Donna RileyIt was just okay.0 of 3 people found the following review helpful. Transaction just fine - thanksBy STL ArchitectArrived quickly - as advertised. Transaction just fine - thanks!

The Best of Thailand: A Cookbook

From Library JournalThe latest additions to an appealing new series offer a glimpse into two very different cuisines. The cooking of Spain is relatively unknown in this country (see Jacki Passmore's *The Complete Spanish Cookbook*, reviewed above), and this sampler of regional favorites would be a good brief introduction. There are tapas and soups; egg dishes; main courses, usually of seafood or chicken; and a scattering of desserts. Color photographs accompany many of the recipes, with a few shots of the country and the people as well. Thai food, like the other Southeast Asian cuisines, has enjoyed increasing popularity in this country, and *The Best of Thailand* presents the classic dishes from this sophisticated cuisine, some subtly seasoned, others hot and spicy. Recipes are clearly written and authentic. Unfortunately, some of the ingredients called for may still be difficult to find. Nevertheless, the book is an attractive

compilation, with color photographs of exotic dishes and exotic locales. Both titles are recommended. Copyright 1993 Reed Business Information, Inc. From the Publisher This wonderful series is the easiest way to sample some of the world's finest cuisines from the comfort of your own kitchen. Small in size, yet large in recipe selection, each volume offers a delicious range of dishes--from the simple to the imaginative.
