One for a bridal shower gift (added to a skillet) and one for my mom, who just loves it and wasted no time making blueberry pancakes. I love the photos that match the recipes. 46 of 46 people found the following review helpful. One of my favorite cookbooks... By CD Carr Wonderful! Every recipe I've tried in this little cookbook---from spinach and gruyere crepes to baked German apple pancakes---has been a big winner. While this book would make an excellent gift to accompany a waffle maker (as other reviewers mention), it also goes beyond waffles. It has both sweet and savory items, and tasty recipes for dishes good any time of the day. 1 of 1 people found the following review helpful. Waffles Wanted! By Alice Osberg These cookbooks are part of larger Christmas gifts. Four family members are receiving waffle irons with all the fixings. Because I have plenty of time before the holidays, I've tried a few of the recipes and the waffles were great. My husband and I are enjoying each experiment. I know the waffle gifts will be a tasty hit.

The crisp, honeycomb texture of waffles and the golden delicacy of pancakes are the perfect base for a host of delectable tastes.
