They are perfect in the kitchen because they wipe off easily. The recipes seem to be chosen carefully because I have not found any yet that I haven't enjoyed and they have easy to follow instructions. The packaging on all of the ones I have received has been perfect. I am thrilled! Thanks for taking such good care of them because all of them were bought used.0 of 1 people found the following review helpful.

Bombs for a Special FriendBy Marvin L. RogersI was delighted with the letter I received via e-mail. I am going to give a copy to a young friend in Indonesia to whom I am giving the bath bombs. I am sure that she will be thrilled with your "{bombs".1 of 12 people found the following review helpful. Pizzas and Italian BreadsBy Jim EdwardsI wrote that I had not recieved the book.
