The Bread Basics in the beginning of Anne Sheasby's book is most helpful. I hadn't made bread in decades and then it was w/o a bread machine. After trying a few recipes, I knew I wanted to own the book. The banana honey loaf is the biggest hit with the grandchildren, so far. 1 of 1 people found the following review helpful. Helpful information for making great bread! By Shirley N Ross Since I am a new bread machine user, I wanted a book that I could use to help me bake great bread. The book answers my questions to

making better use of a bread machine. In the past, I used to make bread the old fashioned way, but my husband gave me a bread machine for a Christmas gift, but I did not use it very much because I was leery of the bread not turning out the way I wanted it to. 0 of 0 people found the following review helpful. Great GiftBy blondesrnatI got this for a friend of mine for Christmas. He says the few recipes he tried were great, and what little I read of it before I gave it to him, the recipes seemed easy enough to manage.

Aimed at everyone from complete novices to connoisseurs, this definitive collection of wholesome and delicious breads will tempt every palate. The Bread Machine Bible features recipes from around the world, from French baguettes and Italian rustic loaves to Middle Eastern flatbreads, from granary breads with nuts and seeds to flavorful varieties with tomatoes and herbs. Featuring sumptuous illustrations throughout, and easy-to-follow instructions, this mouthwatering cookbook will revolutionize your baking.
