Jenny Shapter : The Bread Machine Cookbook: Getting More and More Than You Thought From Your Bread Machine including 50 Fabulous Step-by-Step Recipes before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bread Machine Cookbook: Getting More and More Than You Thought From Your Bread Machine including 50 Fabulous Step-by-Step Recipes:

0 of 0 people found the following review helpful. Awesome BookBy SandyThis is an awesome cookbook with really wonderful recipes! I just love mine! There is the most wonderful sour dough starter mix and one recipe I tried it with

was the Sourdough Rosemary Bread with Olives that I have made over and over it is so delicious! This is a recipe that is started in the bread machine and then finished in the oven.. You can't go wrong with this book!

The collection of recipes has been organized into chapters by styles of bread, including examples from many countries.
