About the AuthorHi my dear cooking lovers. I am sure that if you read my books, you knew that I am a very cooking lover, when I was a little girl and my passion is from my mother- a cooking lover too. For the new friends, or whoever want to know about my biography, I will introduce about myself. I am Annie Kate- a normal girl but having a big passion with cooking. When I was a little girl, I loved the dishes my mother made for me. My mother is very good at cooking, and my passion with cooking is from her. The passion grows up with the little girl through the years. Up to now, I still love sitting at the kitchen as the first time I was touched the pans, the pots, and anything in my kitchen. Thus, I decided to create a series about cooking and each will focus on one theme, or one type of dish that can be easy to prepare and cook. The last thing I want to tell you is that you don't need any great skills or experiences in cooking, you only need a big passion and a little bit patience, you will create many delicious dishes for your lovely children, family, or your friends! Lets get ready to enter the cooking lovers world!
