Rose Levy Beranbaum : The Cake Bible before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Cake Bible:

1 of 1 people found the following review helpful. ExcellentBy Joan DExcellent cookbook. Tips on how to make the best cakes ever! I never had pound cake before I made the one in this book. Melt in your mouth, buttery and addictive. Sent some cakes to deer hunting camp with my husband. His parents said they never had such great cakes before. There are cakes and breakfast cakes in this book. I weighed the ingredients instead of measuring them.2 of 2 people found the following review helpful. She thought this book would be a good additional to her skillsBy binnMy cake artist in the family wanted this book for Christmas - she hasn't been baking that long, but has been decorating cakes for several years. She thought this book would be a good additional to her skills.0 of 0 people found the following review helpful. The page layouts could be clearer/better constructed, but Rose ...By S. GreveThe page layouts could be clearer/better constructed, but Rose Levy Beranbaum's Bible series of cookbooks are an indispensable addition to any kitchen. These books are absolutely packed with recipes, and the techniques are described in a very granular, easily-digestible way that makes cooking them a breeze.
