How do we incorporate the good life into everyday life? By capping off each day with a flavorful meal accompanied by a robust glass of wine. THE CASUAL VINEYARD TABLE, the second cookbook collaboration between Carolyn Wenté, president, and Kimball Jones, executive chef, of Wenté Vineyards, features dishes that can be prepared daily for friends and family. Although the concepts for the recipes are simple, the flavors are complex, including Heirloom Tomato Soup with Poached Salmon, Rack of Lamb with Pomegranate Glaze, and Apple Tart with Riesling Ice Cream. Complementing the restaurant-based recipes of their first book, SHARING THE VINEYARD TABLE, these recipes feature wine recommendations and a prep and cooking time of about an hour, because at Carolyn and Kimball's

table, good food and fine wine are part of everyday living. Includes 75 recipes for simple foods with complex flavors from the wine and cooking team at the Wente Vineyards. Features full-color location photography as well as 16 styled food photographs.
