Holly D. Webber, Sunny Spots : The Catty Cookie Cookbook 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Catty Cookie Cookbook 1:

The cookbook for COOKIE LOVERS! Over 100 pages of cookie recipes, and lots of pictures of beautiful exotic cats (and kittens). Everything from Biscotti to Rum Balls, bake 'em, no-bake 'em, you name it, it's in here; even a large selection of HOLIDAY cookies! And this is just the FIRST BOOK!! Volume 2 of The Catty Cookie Cookbook is coming, just in time for Christmas!
